Re: Green Sports Day – October 6, 2023

Attached is the above-noted proclamation for your review and signature. Please note the City of Regina has proclaimed Green Sports Day in previous years.

Green Sports Day presents an incredible opportunity for the Canadian sports community to take stock of its achievements and progress towards climate goals, and to recommit to sustainability moving forward. Green Sports Day aims to educate the sport sector on climate, advocate for more sustainable sport practices and enact change across the sector by inspiring organizations and athletes to get involved.
